
AFP Citizen Watchdog Sign-Up Form

Americans for Prosperity organizes groups of citizen activists who will stand for a freedom-based agenda of economic growth, individual liberty and a Constitutional government. Citizen Watchdogs are leaders who are willing to commit to following their city, county, school district, state legislators and other elected officials and holding them accountable to the voters.

We believe that when enough citizens get involved, elected officials pay attention!

AFP will work with you to ...

... Use the Freedom of Information Act to obtain public records.

... Know how to talk to your elected officials.

... Use new media tools to get your message out.

... Testify at hearings on legislation that will affect your freedom and prosperity.
