BRIGHTER FUTURES FOR WEST VIRGINIANS

A West Virginia University study has shown West Virginia's economic output and employment will increase more with right-to-work.¹

Right-to-work means more opportunities for West Virginia families.

GETTING YOU BACK TO WORK

In ten years, right-to-work states have added 1.7 million jobs, while forced-union states lost more than 2 million jobs.²

Right-to-work means more jobs for West Virginia workers.
