***LEGISLATIVE
SCORECARD***

**“IT IS NOT WHAT WE DO,
BUT ALSO WHAT WE DO
NOT DO FOR WHICH WE
ARE ACCOUNTABLE.”**

- JOHN BAPTISTE MOLIÈRE

The Arizona chapter of Americans for Prosperity works to improve the well-being of Arizona citizens by passing legislative policy reforms that expand economic freedom. Our 2016 Legislative Scorecard is the 33rd annual scorecard put out by AFP-Arizona and the Arizona Federation of Taxpayers. The Scorecard assigns weights to bills according to their projected dollar impact to Arizona taxpayers, consumers, and producers (\$1 million equals one point). The Fiscal Year 2016-2017 budget was scored according to how many millions of dollars the Legislature and Governor voted to spend above \$9.4 billion — including supplemental spending increases to the FY 2015-2016 budget. Legislators are penalized on the Scorecard if key bills do not come to floor votes, but the Scorecard does allow for substitute bills that have similar policy impacts. The weighting of bills is adjusted for a probability factor and for a long-term policy value factor. AFP-Arizona traditionally assigns a triple weight to tax bills, using the Joint Legislative Budget Committee’s three-year Fiscal Notes when available.

SCORE DESIGNATION

90-100% = Hero of the Taxpayer	80-89% = Champion of the Taxpayer
70-79% = Friend of the Taxpayer	60-69% = Not Bad
30-49% = Friend of Big Government	50-59% = Needs Improvement
10-29% = Champion of Big Government	0-9% = Hero of Big Government

AFP-AZ thanks its activists, coalition partners and allied Legislators for their assistance in developing this agenda. Longer-term objectives beyond 2016 include: instituting a firm state spending limit, creating a personal use education tax credit for parents, voucherizing higher education, allowing Arizona employees to direct retirement withholding into their own personal savings accounts, allowing interstate purchase of health insurance plans, using long-term private concessions to build new freeways and other infrastructure, and mandating that the state Treasurer certify annual revenue estimates and declare whether the state budget is balanced.
