Dear Concerned Taxpayer,

Thank you for checking out our Taxpayers' Scorecard, a labor of love by the Americans for Prosperity staff to show you how your legislators vote in key policy areas. Citizen involvement is the most important part of the legislative process. I welcome you to learn more about the legislative process and our growing chapter here in Tennessee.

Cheers,

Andrew Ogles, Tennessee State Director

ABOUT AMERICANS FOR PROSPERITY'S TAXPAYER SCORECARD

AFP's Taxpayer Scorecard is our good faith effort to inform citizens about the performance of their elected representatives. There is no better barometer by which to measure lawmakers' allegiance to fiscal responsibility and economic freedom than to evaluate their votes on key fiscal legislation. Simply put, their votes are their record.

Of course, no legislative scorecard can take into consideration every bill affecting taxpayers. Each of Americans for Prosperity-Tennessee's (AFP-TN) legislative priorities is included on this scorecard, as well as any additional issues we communicated support for during the regular session and special session.

TAXPAYER SCORECARD GRADING OVERVIEW

Each legislator is scored based on the number of votes they took. Key votes are weighted (columns 1-7) more heavily, with a one point deduction for every vote against the key vote legislation. We also award two points for prime sponsorship and

one point for co-sponsorship of key vote items. Any sponsorship of a bill will count as a vote in favor of the legislation, if the member does not have the opportunity to vote on the item.

Stopping Medicaid expansion was a top legislative priority, therefore votes and sponsorship of bills to expand Obamacare are double-weighted. Each attempt to expand Medicaid with Obamacare resulted in the following deductions: -3 points (primary sponsor) and -2 points (co-sponsor). Sponsorship attempts denoted with an exponent.

AMERICANS FOR PROSPERITY'S MISSION

Americans for Prosperity exists to recruit, educate, and mobilize citizens in support of the policies and goals of a free society at the local, state and federal level, helping every American live their dream - especially the least fortunate.

TAXPAYER SCORECARD KEY

- ✓ - Voted with the Taxpayer
- ✗ - Voted against the Taxpayer
- PNV - Present Not Voting or Abstained
- blank - Not Present for vote

PNV represents Present Not Voting; this counts as a NO vote in the average. Half a point is deducted for any PNV on a key vote issue. Blank entries represent the member not being present for the vote.

✓ VOTES FOR TAXPAYERS | AFP POSITION: YES

VOTE 2 Hall Tax Cut & Repeal | SB 0047 / HB 0831 | Result: Enacted Public Chapter 1064**

Sponsors: Sen. Green / Rep. Sargent

The only tax on income in our state is going to be cut from 6% to 5% this year. Last minute efforts by Reps. Spivey & Pody resulted in a full repeal effective 2022.

VOTE 3 Education Savings Accounts (ESA) for special needs students SB 0027 / HB 0138 | Result: Enacted Public Chapter 431**

Sponsors: Sen. Gresham / Rep. Moody

This bill gives parents of special needs students the option to choose which schools and services best meet their child's needs. It is the first school-choice pilot project in our state.

Vote 4 Right to Try | SB 0811 / HB 0143 | Result: Enacted Public Chapter 376**

Sponsors: Sen. Green / Rep. Lundberg

This bill allows terminally ill patients to opt to receive experimental treatments that have completed phase I of clinical trials, but have not yet been approved by the FDA.

VOTE 5 Paycheck Protection | SB 1707 & SB 151 / HB 294 & HB 2229 Result: Passed Senate; Failed in House EDU committees**

Sponsors Sen. Gardenhire / Sen. Gresham / Rep. Spivey

Some automatic paycheck dues deductions are being funneled out of state and used for partisan political activity, violating state law and being used against the wishes of many union members. Members who wished to maintain the deductions could set it up through the organization or their bank account. Using taxpayer's time and money to collect union dues is not a role of government. Sponsorship of the bill is counted as a yes vote.

VOTE 6 Deannexation | SB 775 / HB 0779 | Result: Passed House / Failed in Senate State & Local Committee**

Sponsors: Sen. Watson / Rep. Carter

The legislature ended the practice of forced annexation two years ago. A few cities rushed to continue forced annexation before the law went into effect. This bill would have allowed areas forcibly annexed the opportunity to vote in a referendum to deannex if certain thresholds were met. The bill passed the House limited to five cities. The Senate sent the bill back to committee where it was killed. Senate votes to send the bill back to committee and the final committee votes are counted.

VOTE 7 The Right to Earn a Living Act: Occupational Licensing Reforms | SB 2469 / HB 2201 | Result: Enacted Public Chapter 1053**

Sponsors: Sen. Green / Rep. Daniel

Many occupations in TN have expensive and overly burdensome licensure requirements, serving no purpose other than to stifle competition. The government operations committee will complete a review of each licensing entities' requirements. Federal mandates, health, welfare, safety, and less burdensome options will be taken into account. The government operations committee has the ability to suspend the licensing entity's rule making authority if they do not comply with recommendations to reduce or remove these barriers to employment.

This bill allows direct primary care agreements with physicians to be exempt from insurance regulations, giving patients more options on how to pay for their primary care.

VOTE 15 Certificate of Need Reforms | SB 1842/HB 1730 | **Result: Enacted Public Chapter 1043**

Sponsors: Sen. Gardenhire / Rep. C. Sexton

This bill eliminates the Certificate of Need requirement for hospital expansions, increasing the licensed number of hospital beds by up to 10% every three years. The market should determine the need for a hospital and services. The government certainly shouldn't be putting up even more barriers to access healthcare. This is a step in the right direction.
