MICHIGAN ECONOMIC FREEDOM SCORECARD
2015-2016

**AMERICANS FOR
PROSPERITY®**

MICHIGAN

One of **35 state chapters nationwide**, Americans for Prosperity–Michigan has over **104,000 Michigan citizen leaders** and an ever-expanding base of local donors. Together, we work hard to keep taxes low and increase opportunity for everyone. Our year-round efforts entail meeting Michiganders in their neighborhood, listening to their concerns, educating them on the issues, and empowering them to hold their lawmakers accountable.

The grassroots leaders of AFP Michigan advocate for limited government public policies that enable more people to work hard, provide for their family, and achieve the American dream.

Dear Taxpayer,

History has shown us that a market free from burdensome regulation, taxation and the stranglehold of union bosses will help fuel our economic engines—creating jobs for workers and raising everyone’s standard of living.

Michigan’s comeback from its lost decade is a case in point. Beginning in 2011, policymakers embraced transformational policies that included workplace freedom, tax and regulatory reforms, and more responsible state spending.

Economic growth has followed. The unemployment rate—which reached a staggering 14.9% in 2009—has shrunk to 4.6%, a 15-year historic low. And while Michigan was once the only state in the country to lose population, we’ve now posted population gains four years in a row. Instead of losing jobs, Michigan has added 416,000 private-sector jobs.

We can continue this momentum by rejecting tax hikes, limiting state spending, and reducing unnecessary barriers to entrepreneurship.

Americans for Prosperity-Michigan’s 2015-16 legislative scorecard will provide you with a tool to review how your state representative voted on important free-market issues. Did your lawmaker make the grade? Are there still some areas for improvement?

Don’t forget to discuss the issues and bills on this scorecard with your lawmaker. Thank them for the votes they’ve cast in favor of economic freedom and identify opportunities for improvement that will help us secure a brighter and more prosperous future for Michigan.

Sincerely,

Pete Lund

Taxes & Spending Cont.

2015 Senate RC Vote #173 Sponsor: Sen. Robertson SB 3 - Prevailing Wage Law Repeal - Repeals the state prevailing wage law for state financed or sponsored construction projects, which prohibits awarding contract to the lowest bidder unless that bidder pays wages based on union pay scales that tend to be above the market rate.

2015 Senate RC Vote #391 Sponsor: Sen. Hood SB 500 - Unemployment Hike - An amendment offered by Sen. Hood that would tie-bar SB 500 to SB 525. SB 525 would raise unemployment benefits.

2016 Senate RC Vote #124 Sponsor: Sen. Hansen SB 710 - Detroit Public School Bailout - Part of a broader bailout package totaling more than \$700 million, this legislation ends emergency management of Detroit Public Schools and gives an Education Commission appointed by the Detroit Mayor the power to ration school options for Detroit school parents.

Labor & Unions

2015 Senate RC Vote #510 Sponsor: Sen. Brandenburg SB 492 - NLRB "Push Back" - Establishes that franchisees are the sole employer of the workers for whom they provide a benefit plan or pay wages, except as specifically provided in the franchise agreement. This legislation "pushes back" against the Obama Administration's National Labor Relations Board ruling aimed at unionizing across individual franchises.

2015 Senate RC Vote #511 Sponsor: Sen. Proos SB 493 - NLRB "Push Back" II - Establishes that for the purpose of workers compensation insurance coverage, the owner of a business franchise is considered the sole employer of the workers. This legislation "pushes back" against the Obama Administration's National Labor Relations Board ruling aimed at unionizing across individual franchises.

2015 Senate RC Vote #507 Sponsor: Sen. Knollenberg SB 280 - Ban Government Pay for Union Work - Prohibits government employers, including public schools, from including employer-paid union release time (time spent conducting union business) from employment contracts. It is inappropriate for taxpayers to compensate employees for time that is not spent working for them.

Misc.

2015 Senate RC Vote #561 Sponsor: Sen. Robertson SB 638 - Campaign Finance - More clearly defines what constitutes an "independent expenditure" and ensures opportunities for free political speech consistent with the Supreme Court's Citizens United case.

Note: Bills/Roll Call votes in green would expand economic freedom. Those in red would decrease economic freedom.
