## Sales/Bed/Hospital Tax Scoring Key

Action	Score	Permanent Scale
Voted to Cut	1	(Includes Council votes on ballot referenda, and Council votes on light rail boondoggles)
No Vote	0	(Includes Council votes on ballot referenda, and Council votes on light rail boondoggles)
Voted to Raise	-1	(Includes Council votes on ballot referenda, and Council votes on light rail boondoggles)

<b>Boondoggles</b>	AFP-AZ does not have a means of objectively scoring the impact of most local-government boondoggles, including corporate welfare handouts and tax abatements awarded to politically-connected developers, except insofar as those boondoggles increase current operations and capital budgets.
<b>Absence</b>	If an official is absent for all key votes, such is noted in the "Category" column. Officials who are present for at least one key vote receive a score of zero for missed votes, and receive a total score.
<b>Failed to Post</b>	Schedules A & B of the state-required budget reports should be posted on a jurisdiction's website, as well as the minutes for the board/council meetings at which the final budget and final property tax levies are approved by roll call vote. The Category designates failure to post the documents by October. AFPF-Arizona will update past and present scorecards to incorporate missing data, if city officials send us links to Schedules A & B, and to the minutes for the meetings in which the budgets and levies received final approval.
<b>Note on Property Levies</b>	When a property tax levy is less than one percent of a district's budget, the levy is dropped from the scoring rubric.
<b>Note on Lean Government Bonus</b>	CY 2015 was the first year the Local Government Scorecard included the lean government bonus point. The bonus point is awarded to two categories of local government that have the leanest government (bottom 20% for each category), defined as the total budget amount divided by the most recent estimated population. The two types of local government for the lean government bonus are: cities/towns and counties.
