# REP. STRATTON VOTED FOR ALL THREE

## He voted to increase your property taxes.

- ◆ This unnecessary increase will cost hardworking Utahns \$125 million.

## He voted to give more money to UTA and raise your sales tax.

- ◆ This sales tax increase could take an additional \$115 million from Utah taxpayers.
- ◆ Utah drivers will pay nearly \$6 million more in vehicle registration fees in 2020.

## He voted to expand Medicaid under Obamacare.

- ◆ Utahns should have high-quality care at low costs, but expanding Medicaid will have the opposite effect.

Call **REP. STRATTON** and tell him to oppose tax increases and expanding big government programs in the future.
