2018 New Hampshire LEGISLATIVE SCORECARD

DEAR NEW HAMPSHIRE TAXPAYER:

Americans For Prosperity-New Hampshire is pleased to present our 2018 Legislative Score Card.

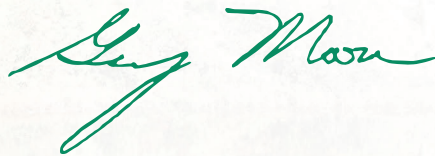

AFP-NH hopes that this Score Card will aid you in your efforts to remain well informed regarding some of the key legislative activity that took place in Concord over this past year and its impact on expanding government and economic growth and enhancing a free and open society.

AFP-NH does not score every vote. Rather, the focus of this Score Card is to consider the most important votes cast in a number of key areas that impact a free market and open society, such as taxes, spending, health care, education choice, worker freedom, regulation, free speech, property rights and ending cronyism. This year, the Legislature had the opportunity to vote on important issues in these areas, such as expanding education opportunity with Education Savings Accounts and reforming barriers due to occupational licensure.

Within this Score Card you will find these votes and many others that are essential to ensuring free markets, entrepreneurship and opportunity. We hope this helps you see a clear picture of how legislators performed in these important areas.

In addition to information on how your state legislators voted on important pieces of legislation, you will find their contact information included in this Score Card. AFP-NH hopes you will use it to reach out to your State Senator and State Representatives and encourage them to support policies that advance liberty.

Sincerely,

Greg Moore
State Director
