

Governor Walker's reforms are working— but there's more to do!

✓ **Historically Low Unemployment**

Wisconsin unemployment is at an all-time low of ~~3%~~ **2.8%**!

✓ **Finding Independence Through Work**

Governor Walker's welfare reform package will transition able-bodied recipients from government dependence to independence through the dignity of work!

✓ **Protecting Those in Need**

By enacting this welfare reform package, we can protect the elderly, disabled, and those for whom the program was originally intended!
