Rep. Mary Felzkowski is taking on special interests to lower health care costs.

AMERICANS FOR PROSPERITY

WISCONSIN

Today, special interests wield too much power over our health care in Madison, pushing costs higher and making access more difficult.

Rep. Mary Felzkowski has taken on special interests. She helped pass legislation to give terminally ill patients access to potentially life-saving drugs, and Felzkowski took on Madison lobbyists with a bill to help low-income families and children receive dental care.*
