

Can you name  
**ONE THING**  
Sen. Tammy  
Baldwin has  
accomplished  
after her  
**MANY**  
**YEARS**  
in DC?

**IT'S HARD,  
ISN'T IT?**

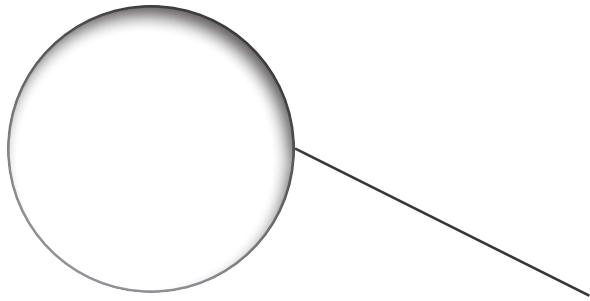

***BUT IT GETS WORSE.***

# **Obstructionist Tammy Baldwin**

is refusing to do her job and is trying to  
**BLOCK JUDGE BRETT KAVANAUGH,**  
a qualified jurist for the U.S. Supreme Court.

**And last year, she voted to  
BLOCK JUSTICE NEIL GORSUCH.**

**OBSTRUCTING COURT APPOINTMENTS  
PUTS OUR RIGHTS IN JEOPARDY.**

**Judge Brett  
Kavanaugh**  
will support  
and defend the  
Constitution.

But Senator Tammy Baldwin  
**REFUSES TO DO HER JOB**  
to confirm qualified judges.

Once again,  
Senator Baldwin  
is putting DC  
special interests  
ahead of us.

Vote **AGAINST** obstructionist  
**Tammy Baldwin!**
