Dear Representative:

On behalf of more than 160,000 Americans for Prosperity-Florida activists, I urge you to support HB 1157 an act relating to Access to Health Care Practitioner Services, when it is voted on tomorrow in the Health Care Appropriations Subcommittee. This vote will be recorded in our 2019 session legislative scorecard.

HB 1157, sponsored by Representative Caruso, will reward physicians who donate their time and efforts towards helping lower income individuals, an act which helps both the individuals treated and the community at large.

AFP-FL and our activists believe strongly in market reforms that improve healthcare in Florida. It is for this reason that I ask for your favorable support of HB 1157.

Sincerely,

Skylar Zander
State Director for Florida
Americans for Prosperity
