April 2, 2019

Dear Representative:

On behalf of more than 160,000 Americans for Prosperity-Florida activists, I urge you to support HB 25, an act relating to Ambulatory Care Services, when it is voted on tomorrow in the Health and Human Services Committee. This vote will be recorded in our 2019 session legislative scorecard.

HB 25, sponsored by Representative Stevenson, would allow patients to stay overnight in an ambulatory surgical center which is currently not allowed.

AFP-FL and our activists believe strongly in improving healthcare access through market reform. It is for this reason that I ask for your favorable support of HB 25.

Sincerely,

Skylar Zander
State Director for Florida
Americans for Prosperity

Representative Cyndi Stevenson
