April 8, 2019

Dear Senator:

On behalf of more than 160,000 Americans for Prosperity-Florida activists, I urge you to support S.B. 434, an act relating to Ambulatory Surgical Centers, when it is voted on tomorrow in the Appropriations Subcommittee on Health and Human Services. This vote will be recorded in our 2019 session legislative scorecard.

S.B. 434, sponsored by Senator Harrell, allows for patients to stay up to 24 hours in an Ambulatory Surgical Center to recover from surgery. Under current law patients are not allowed to stay overnight.

AFP-FL and our activists believe strongly in removing unneeded governmental barriers from conducting business and expanding market-based reforms to allow better medical access. It is for this reason that I ask for your favorable support of S.B. 434.

Sincerely,

Skylar Zander
State Director for Florida
Americans for Prosperity
