April 8, 2019

Dear Representative:

On behalf of more than 160,000 Americans for Prosperity-Florida activists, I urge you to oppose HB 469 an act relating to Consumer Finance Loans, when it is voted on tomorrow in the Government Operations and Technology Appropriations Subcommittee. This vote will be recorded in our 2019 session legislative scorecard.

HB 469 would directly involve the government in the loaning businesses, spending taxpayer dollars on non-vital services and possibly causing unintended consequences in the loan industry.

AFP-FL and our activists believe strongly in fiscal responsibility by the government. It is for this reason that I ask for your opposition of HB 469.

Sincerely,

Skylar Zander
State Director for Florida
Americans for Prosperity
