March 25, 2019

Dear Representative:

On behalf of more than 160,000 Americans for Prosperity-Florida activists, I urge you to support HB 27, an act relating to Deregulation of Professions and Occupations, when it is voted on tomorrow in the Government Operations and Technology Appropriations Subcommittee. This vote will be recorded in our 2019 session legislative scorecard.

HB 27, sponsored by Representatives Ingoglia, would deregulate a number of professions including: interior designers, hair braiders, and nail polishers allowing greater job creation and consumer choice.

AFP-FL and our activists believe strongly in the value of consumer choice. It is for this reason that I ask for your favorable support of HB 27.

Sincerely,

Skylar Zander
State Director for Florida
Americans for Prosperity

Representative Blaise Ingoglia
