Dear Representative:

On behalf of more than 160,000 Americans for Prosperity-Florida activists, I urge you to support HB 1029, an act relating to Detention Facilities, when it is voted on tomorrow in the Criminal Justice Subcommittee. This vote will be recorded in our 2019 session legislative scorecard.

HB 1029, sponsored by Representative Beltran, provides protection to those involved in interrogations by ensuring an accurate recording of events takes place. At the same time, this act benefits law enforcement through the same way by corroborating information acquired during an interrogation.

AFP-FL and our activists believe strongly in the value of accurate recordings in the face of a lawful criminal proceeding to provide for transparency. It is for this reason that I ask for your favorable support of HB 1029.

Sincerely,

Skylar Zander  
State Director for Florida  
Americans for Prosperity

Representative Mike Beltran
