Dear Senator:

On behalf of more than 160,000 Americans for Prosperity-Florida activists, I urge you to support SB 1520 an act relating to Direct Health Care Agreements, when it is voted on in Health Policy. This vote will be recorded in our 2019 session legislative scorecard.

SB 1520, sponsored by Senator Bean, will allow patients to pay a monthly fee to a primary care provider to contract for services. This would allow for increased choice in the healthcare market and allow individuals more options for a healthcare plan that best fits their needs.

AFP-FL and our activists believe strongly in the power of consumer choice. It is for this reason that I ask for your favorable support of SB 1520.

Sincerely,

Skylar Zander
State Director for Florida
Americans for Prosperity
