Dear Representative:

On behalf of more than 160,000 Americans for Prosperity-Florida activists, I urge you to support HB 7 an act relating to Direct Care Agreements, when it is voted on tomorrow in the Health Market Reform Subcommittee. This vote will be recorded in our 2019 session legislative scorecard.

HB 7, sponsored by Representative Duggan, will allow patients to pay a monthly fee to a primary care provider to contract for services. This would allow for increased choice in the healthcare market and allow individuals more options for a healthcare plan that best fits their needs.

AFP-FL and our activists believe strongly in the power of consumer choice. It is for this reason that I ask for your favorable support of HB 7.

Sincerely,

Skylar Zander  
State Director for Florida  
Americans for Prosperity

Representative Wyman Duggan
