April 9, 2019

Dear Representative:

On behalf of more than 160,000 Americans for Prosperity-Florida activists, I urge you to support H.B. 291, an act relating to Growth Management, when it is voted on tomorrow in the State Affairs Committee. This vote will be recorded in our 2019 session legislative scorecard.

H.B. 291, sponsored by Representative Clemons and McClain, requires each local government include in its comprehensive plan a property rights element to ensure that private property rights are considered in local decision-making.

AFP-FL and our activists believe strongly in private property rights. It is for this reason that I ask for your favorable support of H.B. 291.

Sincerely,

Skylar Zander
State Director for Florida
Americans for Prosperity
