Dear Representative:

On behalf of more than 160,000 Americans for Prosperity-Florida activists, I urge you to support HB 821 an act relating to Health Care Practitioners, when it is voted on tomorrow in the Health and Human Services Committee. This vote will be recorded in our 2019 session legislative scorecard.

HB 821, sponsored by Representative Pigman, would allow advanced practice registered nurses the chance to practice work they are qualified for without physician assistance, making health care more efficient and cost effective.

AFP-FL and our activists believe strongly in promoting market reform for the health care market. It is for this reason that I ask for your favorable support of HB 821.

Sincerely,

Skylar Zander  
State Director for Florida  
Americans for Prosperity

Cc: Speaker Jose Oliva  
Representative Cary Pigman
