Dear Representative:

On behalf of more than 160,000 Americans for Prosperity-Florida activists, I urge you to support HB 961, an act relating to Health Innovation Commission, when it is voted on tomorrow in the Health Care Appropriations Subcommittee. This vote will be recorded in our 2019 session legislative scorecard.

HB 961, sponsored by Representative Fine, would create the Innovation Commission inside the Agency for Health Care Administration which would be charged with finding solutions to problems in the health care market.

AFP-FL and our activists believe strongly in improving healthcare through market reform. It is for this reason that I ask for your favorable support of HB 961.

Sincerely,

Skylar Zander
State Director for Florida
Americans for Prosperity

Representative Randy Fine
