April 8, 2019

Dear Senator:

On behalf of more than 160,000 Americans for Prosperity-Florida activists, I urge you to support SB 1712 an act relating to Hospital Licensure, when it is voted on tomorrow in the Appropriations Subcommittee on Health and Human Services. This vote will be recorded in our 2019 session legislative scorecard.

SB 1712 sponsored by Senator Harrell, will help eliminate certificate of need laws in Florida, allowing medical facilities to be built and expand without having to request approval from the government.

AFP-FL and our activists believe strongly in expanding healthcare access through markets. It is for this reason that I ask for your favorable support of SB 1712.

Sincerely,

Skylar Zander
State Director for Florida
Americans for Prosperity
