March 25, 2019

Dear Representative:

On behalf of more than 160,000 Americans for Prosperity-Florida activists, I urge you to support H.B. 953 an act relating to Inmate Reentry, when it is voted on tomorrow in the Justice Appropriations Committee. This vote will be recorded in our 2019 session legislative scorecard.

H.B. 953, sponsored by Representative Stone, will help inmates reintegrate back into society through an increase of transition assistance employees and services to better serve the population. This will help ensure that inmates are given better opportunities to succeed once they are released which will benefit both themselves and the community as a whole.

AFP-FL and our activists believe strongly in a fair and responsible criminal justice system. It is for this reason that I ask for your favorable support of H.B. 953.

Sincerely,

Skylar Zander
State Director for Florida
Americans for Prosperity

Representative Charlie Stone
