March 26, 2019

Dear Representative:

On behalf of more than 160,000 Americans for Prosperity-Florida activists, I urge you to support H.B. 679, an act relating to Legislative Review of Proposed Regulation of Unregulated Functions, when it is voted on in Session. This vote will be recorded in our 2019 session legislative scorecard.

H.B. 679, sponsored by Representative Hage, helps ensure a formal process of review requiring a cost-benefit analysis be conducted before legislation proposing to regulate an unregulated profession or occupation is enacted.

AFP-FL and our activists believe strongly in preventing proliferation of occupational licensing, making it harder for professionals to work in fields they are already qualified for. It is for this reason that I ask for your support of H.B. 679.

Sincerely,

Skylar Zander
State Director for Florida
Americans for Prosperity
