Dear Representative:

On behalf of more than 160,000 Americans for Prosperity-Florida activists, I urge you to support HB 453 an act relating to Micromobility Devices and Motorized Scooters, when it is voted on tomorrow in the State Affairs Committee. This vote will be recorded in our 2019 session legislative scorecard.

HB 453, sponsored by Representative Toledo, would set a regulatory body for micromobility devices and allow for greater choice when it comes to transportation.

AFP-FL and our activists believe strongly in the power of choice for consumers. It is for this reason that I ask for your favorable support of HB 453.

Sincerely,

Skylar Zander  
State Director for Florida  
Americans for Prosperity

Representative Jackie Toledo
