Dear Senator:

On behalf of more than 160,000 Americans for Prosperity-Florida activists, I urge you to support SB 542 an act relating to Micromobility Devices and Motorized Scooters, when it is voted on tomorrow in the Appropriations Subcommittee on Transportation, Tourism, and Economic Development. This vote will be recorded in our 2019 session legislative scorecard.

SB 542, sponsored by Senator Brandes, would set a regulatory body for micromobility devices, creating a framework for and allowing greater choice when it comes to transportation.

AFP-FL and our activists believe strongly in the power of choice for consumers. It is for this reason that I ask for your favorable support of SB 542.

Sincerely,

Skylar Zander  
State Director for Florida  
Americans for Prosperity

Cc: President Bill Galvano  
Senator Jeff Brandes
