Dear Senator:

On behalf of more than 160,000 Americans for Prosperity-Florida activists, I urge you to support SB 602, an act relating to Public Records, when it is voted on tomorrow in the Government Oversight and Accountability Committee. This vote will be recorded in our 2019 session legislative scorecard.

SB 602, sponsored by Senator Perry, would prevent a public agency from filing civil action against someone making a public records request increasing transparency and accountability of the state.

AFP-FL and our activists believe strongly in government accountability. It is for this reason that I ask for your favorable support of SB 602.

Sincerely,

Skylar Zander
State Director for Florida
Americans for Prosperity

Senator Keith Perry
