March 25, 2019

Dear Representative:

On behalf of more than 160,000 Americans for Prosperity-Florida activists, I urge you to support HB 1405 an act relating to Searches of Cellular Phones and Other Electronic Devices, when it is voted on tomorrow in the Criminal Justice Subcommittee. This vote will be recorded in our 2019 session legislative scorecard.

HB 1405, sponsored by Representative Toledo, ensures that searches of cell phones and data from other electronic devices, such as microphone-enabled household devices are protected by warrants, just like other searches.

AFP-FL and our activists believe strongly in a fair and just criminal justice system. It is for this reason that I ask for your favorable support of HB 1405.

Sincerely,

Skylar Zander
State Director for Florida
Americans for Prosperity

Representative Jackie Toledo
