Senator **Jimmy Higdon** is helping create meaningful reforms to Kentucky's criminal justice system by:

- ✓ Voting to **allow people to clear their names** after a certain period of time¹
- ✓ Supporting an expungement process that would make people eligible to have their **voting rights restored**
- ✓ Ensuring our justice system is **smart on crime** and soft on taxpayers

Thank **Sen. HIGDON** for supporting expungement reform and urge him to keep fighting for a **smarter criminal justice system** for all Kentuckians.
