Representative **Jeremy Faison** believes in creating meaningful reforms to Tennessee's criminal justice system by:

- ✓ Making sure Tennesseans can **continue to work** and **remain with their families** by promoting a system that doesn't resort to overincarceration¹
- ✓ Ensuring our justice system is **smart on crime** and soft on taxpayers

Thank **Rep. FAISON** for making sure punishment is proportional with the crime and urge him to keep fighting for a **smarter criminal justice system** for all Tennesseans.
