

**Higher taxes are on the horizon.
But our lawmakers can hit the brakes.**

TAXES

Call Rep. KC Becker at 303-866-2578
NOW and tell her to fight overspending and
protect our Taxpayer's Bill of Rights (TABOR).

What do politicians do when they've overspent our money?

They dream up new ways to **TAKE** more money:

Repeal TABOR (our Taxpayer's Bill of Rights) to eliminate constitutional taxpayer protections.

Vote to give themselves more taxing power.

Eliminate your right to vote on tax increases.

Don't let reckless big spenders in Denver take away your rights.
