OUR MISSION

The Americans For Prosperity–Arkansas “2019 Legislative Score Card” represents legislation from the chapter’s priority initiatives of Economic Opportunity, Freedom of Speech, and Criminal Justice. The scored legislation does not represent all legislation of 2019 in which AFP would have a principled interest, but the legislation for which AFP mobilized grass roots activity, key voted, or otherwise actively engaged on.

Though AFP-Arkansas is highly appreciative of the most aligned legislators, it is also appreciative of legislators with whom we have less overall alignment and who sponsored or supported key legislation. We look forward to building policy coalitions from across the political spectrum to advance transformative legislation that remove barriers and increase opportunity for all Arkansans.

MY FELLOW ARKANSANS,

Welcome to this year's Americans for Prosperity-Arkansas Legislative Scorecard.

History has proven that free people are capable of extraordinary things and we believe that removing barriers to these freedoms gives folks the opportunity to thrive. To advance the principles AFP holds dear, this scorecard reflects key votes taken in the state legislature on issues from criminal justice to freedom of speech and much more.

Through consistent grassroots engagement driven by people just like you, along with our shared willingness to put divisiveness and partisanship aside to work with anyone to achieve good, our organization has made significant strides towards better policies.

With our 2019 Legislative Scorecard, we aim to improve the level of transparency between our residents and their elected officials to help involve your voice in the legislative process. We hope you find the information useful.

RYAN NORRIS
State Director

SCORING METHODOLOGY

Scores on the AFP-Arkansas Scorecard are calculated using the following formula:

FOR BILLS AFP SUPPORTED:

AYE Vote = 1 Points

NAY Vote = 0 Point

Non votes and absences were not calculated for or against the member's score, as there is not a method for assuming intent or extenuating circumstances.

FOR BILLS AFP OPPOSED:

AYE Vote = 0 Points

NAY Vote = 1 Point

Prime Sponsor Credits

Legislators who sponsored aligned priority legislation were awarded an additional point. Similarly, points were deducted from the scores of legislators who sponsored unaligned legislation.

GRADES ARE ASSIGNED ACCORDING TO THE FOLLOWING SCALE:

A+ = 100% or Greater

A = 90-99%

B = 80-89%

C = 70-79%

D = 60-69%

F = 59% or Less

BILL DESCRIPTIONS

TO CREATE THE TAX COMPETITIVENESS AND RELIEF ACT OF 2019 | SB 211

Senator Jonathan Dismang, Senator Jim Hendren, Rep. Joe Jett, and Rep. Matthew Shepherd

This bill lowers the income tax rate from 6.9% to 5.9% for the state's top income tax bracket. This follows income tax cuts from the lower- and middle-class income tax brackets in 2015 and 2017. With this change, Arkansas is becoming more competitive with surrounding states who have historically had lower income taxes than our state.

TO ESTABLISH THE FORMING OPEN AND ROBUST UNIVERSITY MINDS (FORUM) ACT | SB 156

Senator Bob Ballinger

This bill calls for state-supported educational institutions to protect free-speech as they are considered "the marketplace of ideas" by the Supreme Court and many in our nation. Although many aspects of free-speech are addressed in this bill, the most significant component is it calls for free-speech zones on public campuses to be removed. This enables institutions of education to freely seek, exchange, and improve upon knowledge and ideas to their fullest potential in all areas on campus, while also complying with the First Amendment.

TO CREATE THE RED TAPE REDUCTION SUNRISE AND SUNSET ACT OF 2019; AND TO REQUIRE LEGISLATIVE REVIEW OF OCCUPATIONAL AUTHORIZATIONS AND OCCUPATIONAL ENTITIES | SB 1527

Rep. Bruce Cozart

This bill affirms the prioritization of the state government to roll back unnecessary barriers such as regulations and licensing measures that choke Arkansans choices in products and career paths. It also gives guidance and direction on how this should take place.

TO AMEND THE TELEMEDICINE ACT; TO ENSURE THAT TELEMEDICINE IS THE LEAST RESTRICTIVE METHOD TO DELIVER HEALTHCARE SERVICES REMOTELY; AND TO EXPAND THE DEFINITION OF "PROFESSIONAL RELATIONSHIP" | HB 1220

Rep. Dan Sullivan

This bill amends the Telemedicine Act to make telemedicine the least restrictive method, especially for those in rural or remote areas. Doing so removes barriers to many Arkansans who live far from their healthcare physicians. This would save time and money for Arkansans by fully utilizing technology, such as video and audio, for doctors to communicate with their patients. This is yet another area where Arkansas falls behind other states in healthcare by having a barrier to its citizens in obtaining healthcare.

**CONCERNING THE TIME PERIOD BEFORE WHICH
A COURT MAY GRANT A UNIFORM PETITION TO
SEAL A CRIMINAL RECORD | HB 1016**

Rep. Sarah Capp

This bill amends the timeframe of the court's ability to seal a criminal record. It grants the court permission to do so thirty days after the uniform petition was served to the prosecuting attorney. This moves up the timeline from a ninety day wait period.

**TO AMEND THE PROVISIONS OF THE ARKANSAS
CODE CONCERNING THE PRACTICE OF
PHARMACY; AND TO AUTHORIZE PHARMACISTS
TO PROVIDE ACCESS TO AND ADMINISTRATION
OF ORAL CONTRACEPTIVES | HB 1290**

Rep. Aaron Pilkington

This bill would allow for pharmacists to access and administer oral contraceptives. This would remove another barrier to healthcare because those taking oral contraceptives would not have to see their physician to obtain the medication.

**TO CREATE THE KEEP ARKANSANS WORKING
ACT OF 2019; AND TO ENSURE THAT DEFAULT
OR DELINQUENT STUDENT LOANS OR
SCHOLARSHIPS DO NOT RESULT IN SUSPENSION
OR REVOCATION OF A LICENSE | HB 1296**

Rep. Austin McCollum

This bill allows a person who has student loans that are default or delinquent to keep their occupational license, whereas before, by law the loans would be suspended. Suspending occupational licenses only places another barrier to borrowers paying off loans. This will not only help our economy and Arkansans' lives, but also allow people to pay back their loans.

**TO CREATE THE RED TAPE REDUCTION
EXPEDITED TEMPORARY AND PROVISIONAL
LICENSURE ACT; TO AUTHORIZE
OCCUPATIONAL LICENSING ENTITIES TO
GRANT EXPEDITED TEMPORARY AND
PROVISIONAL LICENSING FOR CERTAIN
INDIVIDUALS | HB 1301**

Rep. Bruce Cozart

This bill builds upon Acts 2017, No. 781 which provides much needed and long overdue reforms for occupational licensing; cutting back red tape for Arkansans wishing to pursue and explore their full potential. One of the key components of this bill include mirroring licensing rules to that of states like Arkansas which will make ours more competitive and attractive for those in the workforce.

BILL DESCRIPTIONS

CONCERNING THE TREATMENT OF FEMALE INMATES AND DETAINEES IN CORRECTIONAL OR DETENTION FACILITIES; AND CONCERNING PREGNANT INMATES AND DETAINEES | HB 1523

Rep. Rebecca Petty

This bill declares female inmates or detainees who are pregnant, in labor, or post-partem are not to be restrained unless they are endangering to themselves, the baby, or those around them. There are specific guidelines to when these restraints should be used and what type of restraints are to be used. Also, this bill also addresses a need for items like pre-natal vitamins for pregnant inmates/detainees and highlights a general need for feminine hygiene products. This restores human dignity for mothers-to-be, and more broadly incarcerated females.

TO AMEND THE FREEDOM OF INFORMATION ACT OF 1967; AND TO REQUIRE ALL OPEN PUBLIC MEETINGS TO BE RECORDED | HB 1928

Rep. Vivian Flowers and Senator Joyce Elliot

This bill amends the Freedom of Information Act (1967) so that all “all officially scheduled, special, and called open public meetings shall be recorded” by some type of sound recording device, if not a video device. These recordings must be saved and available for at least one year after the meeting takes place. This bill provides more transparency between local and state governments with its citizens.

TO REMOVE A DRIVER’S LICENSE SUSPENSION OR REVOCATION AS AN AVAILABLE PENALTY FOR AN OFFENSE NOT RELATED TO DRIVING A MOTOR VEHICLE | SB 623

Senator Alan Clark

This bill removes the option for the courts to revoke a person’s driver license unless operating a motor vehicle was a part of their criminal offense. This bill removes unnecessary barriers for those needing to drive to work, school, and/or needing to transport their children.

TO PROVIDE ADDITIONAL REVENUE FOR THE MAINTENANCE AND REPAIR OF HIGHWAYS, STREETS, AND BRIDGES IN THE STATE | SB 336

Senator Terry Rice and Rep. Mike Holcomb

This bill imposes a wholesale sales tax on fuel and diesel, while also increasing registration fees for hybrid and electric motor vehicles. This will reportedly bring additional revenue for highway, bridge, and street repairs. However, it is projected to bring in about \$95 million in state revenue which will counteract the projected \$97 million revenue reduction from this year’s income tax cuts. This is a regressive tax, and will negatively impact hardworking, blue collar Arkansans the most.

TO CONTINUE A LEVY OF A ONE-HALF PERCENT SALES AND USE TAX FOR THE STATE'S HIGHWAY SYSTEM, COUNTY ROADS, AND CITY STREETS | HJR 1018

Rep. Jeff Wardlaw and Senator Lance Eades

This bill proposes an amendment to be added to Arkansas's Constitution which would raise a half cent sales tax on fuel and diesel. AFP opposed this for the same reasons listed above for SB336.

TO AMEND THE COMPREHENSIVE RECORD SEALING ACT OF 2013 | HB 1831

Rep. Justin Boyd and Senator Matthew Pitsch

This bill amends the Criminal Record Sealing Act of 2013 to remove burdens surrounding a person's effort to sealing their record once they have served out their sentence. The changes made concern those who have committed certain criminal offenses, such as non-violent, non-sexual crimes.

TO BE KNOWN AS "THE CIVIL ASSET FORFEITURE REFORM ACT OF 2019"; AND CONCERNING ASSET FORFEITURE IN CRIMINAL CASES | SB 308

Senator Bart Hester and Rep. Austin McCollum

This bill strengthens state law to align with the Fourth Amendment of the U.S. Constitution by reforming civil asset forfeiture. In some cases, items may be seized if there is a criminal conviction and that asset is connected to the criminal activity to which the defendant is found guilty of.
