# \$1 TRILLION OF EARLIER COVID ASSISTANCE STILL LEFT UNSPENT<sup>1</sup>

But President Biden Wants Another **\$2 TRILLION?** What for?

- **Bailouts** for big-spending state governments<sup>2</sup>
- **Handouts** to insurance companies and big business<sup>3</sup>
- **Doubling** the cost for struggling small businesses to hire workers, eliminating jobs<sup>4</sup>
- **Growing** Washington's control over your health care<sup>5</sup>

**THE FACT IS:** most of this so-called relief has nothing to do with defeating the virus or helping the economy recover.

**Americans deserve targeted relief to those who need it.**
