TAX-HIKING POLITICIANS WANT TO PUMP MONEY FROM THE POCKETS OF ALL COLORADANS.

Have you seen what's next in the politicians' legislative pipeline?

Raising our gas taxes.

Coloradans know a gas tax hike makes it harder for hard-working families to save for priorities like groceries, utilities, savings funds and vacations.

Rather than raising the gas tax, overspending politicians need to prioritize existing revenue and eliminate wasteful programs that are throwing away our tax dollars.

Visit **NoGasTaxIncrease.com** today.

Tell the reckless big spenders in Denver to lower their spending, **not raise our gas taxes.**
