House backs school funding change

Goal is for money to follow students, author says

three to two the number of years' attendance considered in calculating state aid to schools. It would also temporarily eliminate the cap on the money districts can carry forward from one year to the next.

overwhelmingly asked for to make our state the best place for families," McCall, R-Atoka, said in a press release announcing the votes. "Collectively, these reforms build on the historic education

said his bill was "about the money following the students." He said it originated from discussions he has had with superintendents in his district about potential funding options caused by students leaving to attend charter schools.

once-in-a-hundred-year pandemic. "We want to be better prepared, and we should be," he said in his closing remarks. "But when these situations occur, we'd be foolish not to believe the Legis-
