## MY FELLOW MISSISSIPPIANS,

Thank you for your interest in the 2021 Americans for Prosperity-Mississippi Legislative Scorecard. Our goal with the scorecard is simple: keep our elected officials accountable to the people they represent. History has proven that free people are capable of extraordinary things, an idea that has inspired progress since our country's founding. But many Mississippi laws hold us back from truly thriving. That is why our growing activist network is fighting every day to make the Magnolia State a better place to work, live, and raise a family.

Our activists from across the state lead the charge by working with policymakers to remove barriers that make it difficult for Mississippians to reach their full potential. American for Prosperity activists engage friends and neighbors on key issues and encourage them to take an active role in advancing the potential to achieve the American dream. We advocate long-term solutions to Mississippi's biggest problems that prevent people from realizing their incredible potential — unsustainable government spending and debt, a rigged economy, overbearing regulations that prevent people from working or starting a business, government restrictions against innovation in health care, and a host of other issues you can explore.

To advance these principles, we use cutting edge tools and technology to educate, recruit, and mobilize citizens in support of improving the lives of all Mississippians. With our 2021 Legislative Scorecard, we aim to enhance transparency and help our activists create lasting policy changes now and in the future.

## IN LIBERTY,

## STEVEN UTROSKA

*State Director, AFP-Mississippi*

## OUR MISSION

The Americans For Prosperity-Mississippi “2021 Legislative Scorecard” represents legislation from the chapter's priority initiatives of economic opportunity, access to health care, and criminal justice. The scored legislation does not represent all legislation of 2021 in which AFP would have a principled interest, but the legislation for which AFP mobilized grassroots activity, key voted, or otherwise actively engaged on.

Though AFP-Mississippi is highly appreciative of the most aligned legislators, it is also appreciative of legislators with whom we have less overall alignment and who sponsored or supported key legislation. We look forward to building policy coalitions from across the political spectrum to advance transformative legislation that removes barriers and increases opportunity for all Mississippians.

## SCORING METHODOLOGY

This scorecard includes votes on bills covering a wide range of issues. Each of Americans for Prosperity-Mississippi's (AFP-MS) legislative priorities is included on this scorecard, as well as additional issues we supported or opposed during the 2021 regular legislative session. Summaries of the bills and their results during the legislative process are included in the scorecard.

Our legislature does not record votes taken in committee, so all votes in this scorecard are votes that occurred on the floor of the House or Senate.

One point was awarded for each vote cast in support of a bill that removes barriers for society or against a bill that creates new barriers or extends the life of existing barriers. Each vote carries the same weight, except bills to extend local sales taxes without requiring voter approval. Because the large number of those bills would have skewed the overall scores, we assigned a value of 1/4 point to each of those votes.

We added one point for committee chairmen for each bill they brought before their committee that removed barriers. We deducted a point for each bill they brought before their committee that would create or maintain barriers. We awarded a half-point for the principal sponsor of a priority bill we supported and deducted a half-point for the principal sponsor of a bill we opposed.

The points were totaled and then divided by the number of votes cast by that legislator on the bills we scored. The scores were then assigned grades as follows:

## SCORING DESIGNATION:

✓ = Voted with AFP-Mississippi's position

✗ = Voted against AFP-Mississippi's position

Vote on local measures were worth 1/4 value

Sponsor of bill AFP supported: +.5

Sponsor of bill AFP opposed: -.5

Committee Chair that passed bill AFP supported: +1

Committee Chair that passed bill AFP opposed: -1

**Present** – Did not take a position for or against

**Absent** – Was not present for the vote

**Vacant** – The scored vote occurred before the legislator took office or after the legislator left office

*Note: "Paired" votes are included in this scorecard. Senators occasionally "pair" their vote as a courtesy to another senator who is absent but wants to publicly state how he or she would have voted if present. Neither of the paired votes are included in the official final vote count on a bill, but we do include those votes since the senators' positions are publicly recorded in the Senate journal. (The House has no such process.)*

## GRADES ARE ASSIGNED ACCORDING TO THE FOLLOWING SCALE:

**A** = 90% or greater

**B** = 80-89%

**C** = 70-79%

**D** = 60-69%

**F** = Less than 60%

# BILL DESCRIPTIONS

## **AUTHORIZE UP TO THREE FELONY CONVICTIONS TO BE EXPUNGED AFTER 15 YEARS | HB 122**

*Criminal Justice*

*Rep. Jansen Owen | Passed House, died in Senate committee*

Current law allows a person convicted of one or more crimes to ask a judge to expunge one misdemeanor and/or one felony conviction five years after the completion of the full sentence and the payment of all fines and fees. This bill would have expanded judges' discretion to expunge additional misdemeanors, and to expunge a second felony after 10 years of a clean record, and a third felony if a person has not had a felony conviction in at least 15 years. A list of 10 types of crimes would NOT be eligible for expungement, including violent crimes, sex crimes, drug trafficking, and others. This change in law would allow someone whose convictions were due to addiction, for instance, to have a clear record if the court accepts his or her rehabilitation.

## **DELETE REQUIREMENT OF 2 RECENT HOSPITALIZATIONS TO QUALIFY FOR REMOTE PATIENT MONITORING SERVICES | HB 200**

*Health Care*

*Rep. Sam Mims | Signed by governor*

This bill eliminates the requirement that a patient must have two or more hospitalizations within the last 12 months for the patient to qualify for remote patient monitoring services, such as remote heart monitoring or remote blood sugar monitoring, etc. The bill would also make telemonitoring more widely available for patients that need these services the most.

## **EXTEND MORATORIUM ON HOSPICE LICENSURE AND AUTHORIZE ISSUANCE OF 2 PEDIATRIC PALLIATIVE CARE LICENSES | HB 296**

*Health Care*

*Rep. Becky Currie | Passed House, died in Senate committee, but its provisions were added to HB 294, which was passed by both houses and signed into law.*

This bill extends the moratorium on hospice licenses in the state until 2027, limiting competition in health care, resulting in higher prices and less availability for patients who need hospice care. The state should repeal all moratoria on health care services.

## **REQUIRE DEPARTMENT OF PUBLIC SAFETY TO ISSUE A PROVISIONAL DRIVER'S LICENSE TO ELIGIBLE PERSONS UPON THEIR RELEASE FROM PRISON | HB 551**

*Criminal Justice*

*Rep. Nick Bain | Signed by governor*

This bill provides for a provisional six-month personal driver's license to be issued upon release from prison for driving only to certain places, such as work, school, church, and other approved places. It would not be allowed for those convicted of driving-related offenses.

## **ALL FUELS ACT OF 2021 | HB 632**

*Energy*

*Rep. Brent Powell | Signed by governor*

This bill prevents counties or municipalities from adopting ordinances that prohibit the expansion, utilization, connection, or reconnection of services based on the type or source of energy to be delivered to an individual customer.

## **REVISE PENALTIES FOR HABITUAL OFFENDER HB 796**

*Criminal Justice*

*Rep. Nick Bain | Died in conference*

This bill would have ensured that a non-violent offense could not cause a person to be sentenced to life in prison under the state's habitual offender law, sometimes known as the "three strikes and you're out" law. It would also have placed a time limit within which non-violent crimes could trigger other habitual sentencing provisions.

## **REMOVE DOR FROM BEING ALCOHOLIC BEVERAGES WHOLESALE DISTRIBUTOR, AUTHORIZE ISSUANCE OF WHOLESALE'S PERMITS | HB 997**

*Regulations*

*Rep. Trey Lamar | Died in conference*

This bill would have removed the Department of Revenue from the wholesale alcohol storage and distribution business, handing it off to the private sector. The bill would have converted DOR's 27.5 percent "markup" (which is thought of as the "profit") to a tax of 18 percent on the gross proceeds of private wholesalers. All other taxes on alcohol would have remained.

## **AUTHORIZE MICROBREWERIES AND REVISE VARIOUS SECTIONS OF LAW | HB 1091**

*Regulations*

*Rep. Henry Zuber | Signed by governor*

This bill allows for the creation of microbreweries in Mississippi and for the consumption of distilled spirits on the premises of state-permitted distilleries.

## **ALCOHOLIC BEVERAGES; CREATE DELIVERY SERVICE PERMIT | HB 1135**

*Regulations*

*Rep. Trey Lamar | Signed by governor*

This bill provides for the Department of Revenue to issue delivery service permits for sealed containers of beer, light wine, and light spirits to persons 21 years old or older. This bill will allow services similar to UberEats or DoorDash to deliver alcoholic beverages to your door, subject to local restrictions.

## **MISSISSIPPI EDUCATIONAL TALENT RECRUITMENT ACT | HB 1136**

*Tax and Spending*

*Rep. Trey Lamar | Passed House, died in Senate committee*

Intended to incentivize recent college graduates to stay in (or move to) the state, this bill offers a rebate of 50 percent of all state income taxes graduates will have paid over a five-year period if they are employed the entire five years. The rebate increases to 100% if the person, within the 5-year period, bought a home or commercial property or created a business with at least one employee other than themselves (no matter how briefly that job existed). The bill would also subsidize private companies up to \$25,000 to recruit potential employees who live in other states and subsidize a person's broadband bill if that's required to work for an out-of-state employer - but not if it's required for an in-state employer. There is no evidence this expensive plan would accomplish its goal of slowing the "brain drain" of college graduates leaving the state. The vast majority of graduates stay in the state anyway, making this a useless incentive, in addition to being an improper use of the tax code. Because the bill calls for the state to borrow money to make these payments, Mississippians would be paying for each year's payments for years to come.

# BILL DESCRIPTIONS

## **PROVIDE FOR RECOGNITION OF OUT-OF-STATE LICENSES IF APPLICANTS SATISFY CERTAIN CONDITIONS | HB 1263**

*Employment*

*Rep. Becky Currie | Signed by governor*

This bill allows individuals who move to Mississippi and establish residency in the state to use credentials from other states to easily obtain a Mississippi license for their profession. This would encourage more professionals from other states to move into Mississippi, the first state in the Southeast to make this option available.

## **AUTHORIZE OPTOMETRISTS TO PERFORM CERTAIN PROCEDURES AND USE AND PRESCRIBE CERTAIN DRUGS | HB 1302**

*Employment*

*Rep. Jason White | Signed by governor*

This bill expands the scope of practice for optometrists, consistent with their training, to include minor surgical procedures in the eye and eyelid, and diagnosis and treatment of diseases of the eye.

## **ELIMINATE REQUIREMENT FOR NURSE PRACTITIONERS AND OTHER ADVANCED PRACTICE NURSES TO HAVE FORMAL COLLABORATION AGREEMENT UNDER CERTAIN CONDITIONS | HB 1303**

*Employment, Health Care*

*Rep. Donnie Scoggin | Passed House, died in Senate committee*

This bill would have expanded the scope of practice for advanced practice registered nurses (APRN), including nurse practitioners and others, by eliminating the requirement for a collaborative/consultive relationship with a physician once certain conditions are met, including a number of hours working as an APRN.

## **REPEAL OCCUPATIONAL LICENCE REQUIREMENT FOR ART THERAPISTS, AUCTIONEERS, INTERIOR DESIGNERS, WIGOLOGISTS AND MASSAGE THERAPISTS | HB 1315**

*Employment*

*Speaker Philip Gunn | Passed House, died in Senate committee*

This bill would have repealed the requirement for a state-issued license for art therapists, auctioneers, “Mississippi certified” interior designers, wig specialists, and massage therapists. This would have eased restrictions and red tape for people wanting to start businesses or go into careers in these fields.

## MISSISSIPPI TAX FREEDOM ACT OF 2021 HB 1439

*Tax and Spending*

*Speaker Philip Gunn | Passed House, died in Senate committee*

This bill was intended to create a process to eliminate the state personal income tax. We had significant concerns about the other taxes being raised to offset this tax cut, but we supported this initial vote in the House to keep the bill alive and continue the conversation toward the goal of eliminating the personal income tax.

## PROVIDE ALTERNATIVE SENTENCING AND PAROLE OPTIONS FOR JUVENILE OFFENDERS SB 2117

*Criminal Justice*

*Sen. Joey Fillingane | Died in conference*

This bill would have modified the state sentencing guidelines for juvenile offenders to adhere to the U.S. Supreme Court ruling in *Miller v. Alabama*. Mississippi law provides murder sentencing guidelines but does not distinguish between sentencing adults or youth under the age of 18. This bill would eliminate the death penalty for juveniles convicted of capital murder and require that the judge hold a separate sentencing proceeding, without a jury, if they are to be sentenced to life without the possibility of parole.

## AUTHORIZE SALES AND PURCHASE OF CERTAIN PRODUCTS CONTAINING PSEUDOEPHEDRINE AND EPHEDRINE WITHOUT A PRESCRIPTION SB 2119

*Criminal Justice, Health Care*

*Sen. Joey Fillingane | Signed by governor*

This bill allows a registered pharmacy to sell products containing limited amounts of pseudoephedrine or ephedrine from behind the counter to a person without a prescription. It requires the pharmacy to maintain an electronic log of all sales and to check a national database to ensure the purchaser is not ineligible to make the purchase. This measure will reduce the overall cost and increase the ease of access to pseudoephedrine or ephedrine for individuals that have seasonal medical conditions. The law takes effect January 1, 2022.

## ALCOHOLIC BEVERAGES; REVISE VARIOUS PROVISIONS RELATING TO DISTILLERIES SB 2435

*Regulations*

*Sen. Nicole Boyd | Signed by governor*

This bill permits distilleries to serve their product to consumers onsite and allows retailers to pick up products from the distillery rather than having the products shipped to the ABC warehouse before being shipped back to the retailer.

## MISSISSIPPI MEDICAL CANNABIS ACT | SB 2765

*Marijuana*

*Sen. Kevin Blackwell | Passed Senate and a House committee; was not voted on by the full House*

This proposal originally limited the medical marijuana market. Throughout the legislative process, there were significant amendments to make this proposal less crony or protectionist. However, the final bill language still included arbitrary caps, high fees, and unreasonable regulations that do not allow for a free marketplace for medical marijuana in Mississippi.

# BILL DESCRIPTIONS

## EXPAND FRESH START ACT OF 2019 | SB 2792

*Criminal Justice*

*Sen. John Horhn | Passed Senate and a House committee; was killed by a point of order on the House floor*

People who have served time in prison often have a difficult time obtaining an occupational license to pursue a trade or profession. This bill would have expanded the “Fresh Start” law to ensure that no one will be disqualified from licensed occupations solely because of a prior criminal conviction unless the crime directly relates to the duties and responsibilities for the licensed occupation. Due to a technical objection, House members were not allowed to vote on the bill.

## MISSISSIPPI EARNED PAROLE ELIGIBILITY ACT SB 2795

*Criminal Justice*

*Sen. Juan Barnett | Signed by governor*

This significant criminal justice reform bill allows parole eligibility in most cases, subject to approval by the Parole Board, once someone has served certain portions of their prison sentence. (25% for non-violent crimes; 50% for some violent crimes; 60% for armed offenses) However most capital offenses, sex offenses, murder, human trafficking, drug trafficking, and those who are sentenced as “habitual” offenders are not eligible for parole. Various provisions are intended to ensure that a person being released from prison is equipped to reenter society with the skills and ability to avoid committing further crimes. The bill requires victims’ families to be notified and given an opportunity to speak to the Parole Board in a hearing.

## CREATE DEPARTMENT OF TOURISM | SB 2820

*Corporate Welfare*

*Sen. Mike Thompson | Passed Senate and a House committee; was not voted on by the full House*

The bill would have created yet another new department of state government. It would take the tourism functions of the Mississippi Development Authority and place them in a newly created state agency. If changes are necessary at MDA, then those changes should be made. Creating a new department would continue the growth of government, as government agencies’ nature is that they grow beyond their original intent. Our state government already has more than 175 departments, boards, and commissions. We don’t need to add more.

## REQUIRE ANNUAL REPORTING OF PASS- THROUGH MONEY FROM LINE-ITEM APPROPRIATION BY THE LEGISLATURE | SB 2824

*Tax and Spending*

*Sen. Briggs Hopson | Signed by governor*

This bill requires any recipient of line-item appropriations by the legislature to have a written agreement with the state agency that issues the money. The recipient will be required to provide a written description and itemized report detailing the expenditures of the state money. This bill will provide greater transparency of how state taxpayers’ money is spent.

## **AUTHORIZE BONDS FOR VARIOUS PURPOSES**

### **SB 2971**

*Tax and Spending*

*Sen. Josh Harkins | Signed by governor*

In a record revenue year, bringing in nearly \$1 billion over revenue estimates, this bond bill borrowed nearly \$300 million for even more pet projects and unnecessary government spending. Taxpayers should not have to foot the bill for politicians' reckless spending.

## **BILLS TO EXTEND LOCAL SALES TAXES**

**WITHOUT VOTER APPROVAL | HB 1350, HB 1453, HB 1479, HB 1482, HB 1483, HB 1509, HB 1529, SB 2031, SB 2881, SB 2974, SB 3032, SB 3075, SB 3079, SB 3090**

In Mississippi, local municipalities or counties are allowed to impose additional taxes on hotels and restaurants, but only if the legislature authorizes it for specific jurisdictions. Generally, when these bills are passed, they include an automatic repeal date of three to five years and must be ratified by a popular vote of the electorate in the jurisdiction that is imposing the tax. Many times these bills are promoted as a temporary tax increase for the time period indicated in the bill to fund economic development projects, and voters go to the poll expecting such a temporary tax. Yet, often the legislature approves an extension of the tax past the original deadline without requiring local voter approval of the extension. Therefore, each of these 14 local and private tax bills represented an opportunity for legislators to cut taxes for their constituents, or the opportunity to send the tax bill extension back to the voters to ratify the extension. None of these 14 bills gave voters the opportunity to decide whether they wanted to extend the taxing period which they had originally ratified. Only one of these bills (SB 3075, for Sardis) died. Representative Brady Williamson campaigned to his constituents on the platform of lowering taxes, and he is the only one of 174 members of the Mississippi legislature that, because of his actions, lowered taxes this year for his constituents.
