

A yellow steamroller is shown from a front-facing perspective, paving a dark asphalt road. The steamroller has a large, textured grey roller. The background consists of a dramatic, cloudy sky. A red banner with white and yellow text is overlaid across the middle of the image. The text reads: "Sen. Bernie Sanders' \$3.5 Trillion Spending Spree Paves the Way for Medicare Benefit Cuts and Higher Taxes." The words "\$3.5 Trillion Spending Spree" and "Higher Taxes" are in yellow, while the rest is in white. The banner has a slight 3D effect with shadows.

Sen. Bernie Sanders' \$3.5 Trillion Spending Spree
Paves the Way for Medicare Benefit Cuts and Higher Taxes.

Medicare Trustees say the program will be broke in 2026.¹

- Sen. Bernie Sanders' \$3.5 trillion spending spree does **NOTHING** to save Medicare!
- By spending trillions we don't have, he'd make it worse!
- Higher inflation and higher debt means more pressure to raise taxes or cut Medicare benefits.
