OUR MISSION

The Americans For Prosperity–Arkansas (AFP-AR) “2021 Legislative Scorecard” represents legislation from the chapter’s priority initiatives. The scored legislation does not represent all legislation of 2021 in which AFP-AR would have a principled interest, but the legislation for which AFP-AR mobilized grassroots activity, key voted, or otherwise actively engaged on.

Though AFP-AR is highly appreciative of the most aligned legislators, it is also appreciative of legislators with whom we have less overall alignment and who sponsored or supported key legislation. We look forward to building policy coalitions from across the political spectrum to advance transformative legislation that remove barriers and increase opportunity for all Arkansans.

MY FELLOW ARKANSANS,

Welcome to this year’s Americans for Prosperity-
Arkansas Legislative Scorecard for the 93rd General
Assembly.

History has proven that free people are capable
of extraordinary things, and we believe that
removing barriers to these freedoms gives people
the opportunity to thrive. This scorecard reflects
key votes taken in the state legislature that advance
principled policy solutions on issues from health
care, free expression, criminal justice reform,
and more.

Through grassroots engagement driven by people
just like you and working alongside coalition
partners across the political spectrum, our
organization was able to help amplify and elevate
voices across Arkansas. Guided by our willingness
to put divisiveness and partisanship aside to achieve
good, significant strides were made toward better
policies that can improve every Arkansan’s quality
of life.

With our 2021 Legislative Scorecard, we
aim to improve the level of transparency
between Arkansans and their elected officials to
help ensure your voice is involved in the legislative
process. We hope you find this information useful.

Sincerely,

Ryan Norris
AFP-AR State Director

SCORING
METHODOLOGY

Scores on the AFP-AR Scorecard are calculated using
the following formula:

FOR BILLS AFP SUPPORTED:

extenuating circumstances.*

FOR BILLS AFP OPPOSED:

AYE Vote = 0 Points
NAY Vote = 1 Point

Prime Sponsor Credits
Legislators who sponsored aligned priority legislation
were awarded an additional point.

GRADES ARE ASSIGNED ACCORDING TO THE
FOLLOWING SCALE:

A+ = 100% or Greater
A = 90-99%
B = 80-89%
C = 70-79%
D = 60-69%
F = 59% or Less
