Dear New Hampshire Resident:

Americans For Prosperity-New Hampshire is pleased to present our 2021 Legislative Scorecard.

AFP-NH hopes that this Scorecard will aid you in your efforts to remain well informed regarding some of the key legislative activity that took place in Concord over this past year and its impact in lowering or increasing barriers to success and enhancing a free and open society.

AFP-NH does not score every vote in the House or Senate. Rather, the focus of this Scorecard is to consider the most important votes cast in priority issue areas that impact our society, such as taxes and spending, health care, educational opportunity, worker freedom, regulation, free speech, property rights, ending cronyism and having a criminal justice system that focuses on rehabilitation.

This year, the Legislature had the opportunity to vote on important issues in these areas, such as phasing out the Interest & Dividends Tax, New Hampshire's only income tax, establishing Education Freedom Accounts, and reducing the tax burden on the state's employers. We lay out these issues in the vote descriptions.

Within this Scorecard you will find these votes that are essential to removing barriers to opportunity. We hope this helps you see a clear picture of how legislators performed in these important areas.

In addition to information on how your state legislators voted on important pieces of legislation, you will find their contact information included in this Scorecard. AFP-NH hopes you will use it to reach out to your State Senator and State Representatives and encourage them to support policies that advance liberty.

Sincerely,

Greg Moore
State Director, Americans for Prosperity-New Hampshire
