LAWFUL CANVASSING CARD

IF A LAW ENFORCEMENT OFFICER, SECURITY GUARD, OR CONCERNCED RESIDENT STOPS YOU WHILE CANVASSING...

HERE IS WHAT TO SAY:

I am canvassing on behalf of Americans for Prosperity, a grassroots organization that supports policies and candidates that empower every American. My canvassing activity and speech are protected by the First Amendment. My activities do not constitute soliciting, and I am not otherwise asking any resident to make a purchase or donation for any organization.

HERE IS WHAT TO DO:

- **Show the officer, security guard, or resident this card.**
- **Remain polite and courteous at all times.**
- **Ask for and record the individual's name and contact info.**
- **Continue canvassing unless a law enforcement officer orders you to stop.**
- **Write down all that you remember about the situation with the individual then send it to your Legal POC and supervisor.**
- **For all emergencies, call 9-1-1.**
