Hi Sam, Lucian, and Eric –				

On February 1, 2022, we routed the subject package to ESEC for S1's review. ESEC first moved the package to S2 and his office directed that the package be routed to USCIS, USSS, USCG, ICE, TSA, and FLETC for additional review.

ESEC has now passed back edits from ICE, TSA, and USCIS. They have indicated that DCOS Ulloa requests this package later today. I would appreciate your review of the edits soonest. Thank you,

Thank you! I was thinking I could announce at the steering group meeting today and then we can email out the signed charter and ask folks to designate their principal or deputy to the Board itself.

I would also love to also use that to announce the date of the first actual Board meeting – so all that to say could we think about emailing it out Monday? WDYT?
