Here it is!

— DHS is standing up a new Disinformation Governance Board to coordinate countering misinformation related to homeland security, focused specifically on irregular migration and Russia. Nina Jankowicz will head the board as executive director. She previously was a disinformation fellow at the Wilson Center, advised the Ukrainian Foreign Ministry as part of the Fulbright Public Policy Fellowship and oversaw Russia and Belarus programs at the National Democratic Institute. Good Evening –

Apologies for the late email. We received final approval from the NSC on the one-pager and RTQ content in the attached. OPA has pitched the story to Politico and we expect it to be included in tomorrow morning's Playbook, which will publish in the 6:00 AM hour.

OLA and OPE – Please let us know what notifications you plan to make before or after that article publishes. As a reminder, we are not publishing the one-pager or any formal announcement on DHS.gov.

Please let me know if you have any questions!

Thank you,

Ruth Clemens

Thank you Ruth! To expand on that as well --

The RTQ and background material on the Board is currently going through clearance. The impetus for a public announcement here is the press story, which will be pitched following clearance. We will have an updated timeline following clearance as Ruth mentions below.

Let us know what else you need from us in preparation for the announcement.

On the week of April 25, we plan to hold both our first Board Meeting and a roundtable with researchers **(b) (5)** As such, we would like to make the public announcement of the Board (and related Congressional/industry/civil society notifications) prior to those events.

Is it possible to meet tomorrow or Monday to discuss?

Thanks very much and hope you are all able to enjoy a bit of the beautiful weather.

Thank you Ruth! To expand on that as well --

The RTQ and background material on the Board is currently going through clearance. The impetus for a public announcement here is the press story, which will be pitched following clearance. We will have an updated timeline following clearance as Ruth mentions below.

One update regarding materials, we are not going to make the background information on the Board public at this time. Therefore, let us know what if anything you need for notifications. For example, I spoke w/ Jason last night. OPE will do an ICYMI with the press story when it publishes.

Dear Colleagues,

Sam and I met with Ricki last week and at her direction drafted this short document outlining the Disinformation Governance Board's efforts; we hope it can inform planning for the announcement. [docx icon DGB Brief 040522.docx](#)

On the week of April 25, we plan to hold both our first Board Meeting and a roundtable with researchers (b) (5). As such, we would like to make the public announcement of the Board (and related Congressional/industry/civil society notifications) prior to those events.

Is it possible to meet tomorrow or Monday to discuss?

Thanks very much and hope you are all able to enjoy a bit of the beautiful weather.

Subject: Introducing our new Executive Director

Good afternoon –

We are thrilled to electronically introduce Steering Group members to the Disinformation Governance Board's new Executive Director, Nina Jankowicz. Nina is an expert on online disinformation and the author of *How to Lose the Information War: Russia, Fake News, and the Future of Conflict*. In addition to her scholarship on disinformation, she has advised the Ukrainian Foreign Ministry under the auspices of a Fulbright Public Policy Fellowship, overseen Russia and Belarus programs at the National Democratic Institute, and served as a Fellow at the Wilson Center.

Nina will join us at our next Steering Group meeting.

We will work with you to set up 1:1s for Nina with each Steering Group member so that Nina can learn about what you are working on and so that we can begin the governance work we discussed last week.

Expect to see meeting invites coming your way, and please join me in welcoming Nina.

Subject: Introducing our new Executive Director

Good afternoon –

We are thrilled to electronically introduce Steering Group members to the Disinformation Governance Board's new Executive Director, Nina Jankowicz. Nina is an expert on online disinformation and the author of *How to Lose the Information War: Russia, Fake News, and the Future of Conflict*. In addition to her scholarship on disinformation, she has advised the Ukrainian Foreign Ministry under the auspices of a Fulbright Public Policy Fellowship, overseen Russia and Belarus programs at the National Democratic Institute, and served as a Fellow at the Wilson Center.

Nina will join us at our next Steering Group meeting.

We will work with you to set up 1:1s for Nina with each Steering Group member so that Nina can learn about what you are working on and so that we can begin the governance work we discussed last week.

Expect to see meeting invites coming your way, and please join me in welcoming Nina.

Subject: Introducing our new Executive Director

Good afternoon –

We are thrilled to electronically introduce Steering Group members to the Disinformation Governance Board's new Executive Director, Nina Jankowicz. Nina is an expert on online disinformation and the author of *How to Lose the Information War: Russia, Fake News, and the Future of Conflict*. In addition to her scholarship on disinformation, she has advised the Ukrainian Foreign Ministry under the auspices of a Fulbright Public Policy Fellowship, overseen Russia and Belarus programs at the National Democratic Institute, and served as a Fellow at the Wilson Center.

Nina will join us at our next Steering Group meeting.

We will work with you to set up 1:1s for Nina with each Steering Group member so that Nina can learn about what you are working on and so that we can begin the governance work we discussed last week.

Expect to see meeting invites coming your way, and please join me in welcoming Nina.

Sam
