

# REIGNITE THE AMERICAN DREAM

## WITH UNIVERSAL SCHOOL CHOICE

### WHO IS SCHOOL CHOICE IS FOR?

**STUDENTS** improve their test scores & are more likely to self-actualize when they're in a learning environment that best suits their needs.

**PARENTS** are given back control over their tax \$ and child's education. Whether they choose to send their kid to private, home, or remain in public school- parents are finally empowered to do what's best for their family.

**TEACHERS** are proven to benefit when school choice is implemented. With increased competition for their skills & more career paths, Tennessee teachers win with school choice!

### FUND STUDENTS, NOT INSTITUTIONS!

**SCAN THE CODE** to tell your lawmakers it's time to put parents, students, & teachers back in control by supporting universal school choice!

### EDUCATION SAVINGS ACCOUNT

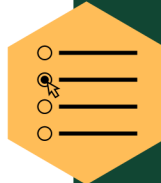

Gov. Lee's Education Freedom Scholarship will put parents back in control over their education tax dollars. Every parent who chooses to send their child to private or homeschool will receive approx. \$7k per child annually in an ESA. This \$ can be used for tuition, tutoring, transportation, & other approved education related expenses.

### PRESERVING INDEPENDENCE

AFP-TN has always fought to ensure homeschoolers & private schools are free & independent from government intervention. The school choice program being promoted by Gov. Lee respects & preserves independence. Parents, teachers, & students having the freedom to escape schools that aren't enabling them to self-actualize will Reignite The American Dream!

### THE RIGHT CHOICE

Poll after poll shows voters from across the political spectrum in Tennessee support school choice. Lawmakers should empower parents to choose what's best for their children. Further, lawmakers should empower teachers to have more choice & control over their careers. We trust parents & teachers- not government bureaucrats.
