DEAR CONCERNED LOUISIANIANS,

We at Americans for Prosperity - Louisiana (AFP-LA) are thrilled to share our annual legislative scorecard, showcasing the remarkable strides we have made together in promoting crucial legislation that benefits our state. This scorecard aims to help you stay informed about significant legislative activity in Baton Rouge throughout the past year.

We believe in fostering transparency and accountability in government to drive positive change, but AFP-LA does not score every vote in the House or Senate. Our focus is on evaluating key votes on priority issues affecting our state, such as educational opportunity, taxes and spending, worker freedom, occupational licensing reform, and insurance reform.

This year, the legislature had the opportunity to vote on important issues in these areas, which are laid out in the vote descriptions.

Thanks to the unwavering engagement of individuals like you, AFP-LA has emerged as a leading change-maker in Louisiana. This year, we partnered with numerous coalition partners and developed strong relationships with lawmakers to restore the joie de vivre that defines our great state and position Louisiana as the best state to live, work, and raise a family.

We are proud to announce that our collaborative efforts led to the passage of our top priority legislation, Education Savings Accounts (ESAs), in both chambers. This legislation has been signed into law by Governor Landry and will undoubtedly have a transformative impact on the lives of countless children and families across Louisiana, providing them with the freedom to access greater educational opportunities.

The scorecard reflects the dedication and hard work of our citizens, coalition partners, and lawmakers who have united to make Louisiana a better place for all. As you review our legislative scorecard, we hope you will acknowledge the diligent efforts of those who have contributed to our progress and hold lawmakers accountable for their votes. Together, we can continue to drive meaningful change and secure a prosperous future for Louisiana.

Thank you for your continued support and commitment to improving our state.

Best,

Scott Simon
Louisiana State Director
Americans for Prosperity

EXPLAINING THE PROCESS

Each of Americans for Prosperity-Louisiana's (AFP-LA) legislative priorities are included on this scorecard, as well as additional issues we explicitly supported or opposed during the 2024 regular legislative session. Summaries for all bills and issues and their results during the legislative process are included in the scorecard. One point has been awarded for each vote cast in support of an issue that removes barriers for society or against an issue that creates new barriers. Each vote carries the same weight. We also awarded one point for prime sponsorship of a priority bill we supported.

BILL DESCRIPTIONS

HB 78 | AUTHORIZES INITIAL PROPOSALS FOR CHARTER SCHOOLS WITH CORPORATE PARTNERS TO BE MADE TO THE STATE BOARD OF ELEMENTARY AND SECONDARY EDUCATION AS TYPE 2 CHARTER SCHOOL PROPOSALS

Outcome: Signed
AFP's Position: Support

HB 78 streamlines the process for establishing new charter schools with corporate partners. By allowing initial proposals to be made directly to the State Board of Elementary and Secondary Education as Type 2 charter school proposals, HB 78 sought to promote greater accessibility and choice within Louisiana's educational landscape. Americans for Prosperity supported this legislation because we believe it is important to empower students and families with a diverse marketplace of educational options.

HB 244 | EXPANDS THE PURPOSE OF THE STEVE CARTER LITERACY PROGRAM TO INCLUDE EDUCATIONAL SERVICES IN MATH

Outcome: Signed
AFP's Position: Support

HB 244 expands the Steve Carter Literacy Program to include educational services in mathematics and provides additional funding and support for students in need of tutoring assistance in math. Americans for Prosperity supported this bill because it aligns with our belief in promoting equal educational opportunities for all children, ensuring that students have access to the resources they need to succeed academically.

HB 423 | PROVIDES FOR PAYMENT OF RECOVERABLE MEDICAL EXPENSES FROM COLLATERAL SOURCES

Outcome: Vetoed
AFP's Position: Support

HB 423 aimed to revise the state's collateral source rule by limiting the recovery of medical expenses in personal injury cases to the amount actually paid or owed. This change would prevent damage awards from being based on inflated medical bills, often resulting from providers billing higher amounts with the expectation of negotiating a lower payment with insurers. Americans for Prosperity supported HB 423 as it sought to address the issue of excessive litigation and promote a fairer legal environment for Louisiana residents.

HB 571 | PROVIDES RELATIVE TO CERTAIN DESIGNATED LABOR ORGANIZATION ACTIVITIES IN EMPLOYMENT CONTRACTS

Outcome: Crossed Over
AFP's Position: Support

HB 571 sought to regulate certain labor organization activities within employment contracts. Specifically, prohibiting public employees from using public funds, including employee benefits, for designated labor organization activities. It also prevented public employers from entering into employment contracts or implementing policies that provide compensation, such as paid leave, for these activities. Americans for Prosperity supported HB 571 as it addressed concerns surrounding the appropriate use of taxpayer dollars and ensured that public employees remain focused on their primary responsibilities to the public.

HB 701 | CREATES THE INSURANCE REGULATORY SANDBOX ACT

Outcome: Signed
AFP's Position: Support

HB 701 establishes a regulatory sandbox and allows for temporary waiver authority for new and existing insurance companies to offer innovative products and services to foster a more flexible and accommodating environment for insurance companies, ultimately benefiting consumers and promoting competition within the insurance market. Americans for Prosperity supported HB 701 because it aligns with our belief in the power of a free market to drive innovation, competition, and prosperity.

HB 716 | CREATES THE INSURANCE REGULATORY SANDBOX ACTPROVIDES FOR UNIVERSAL RECOGNITION OF OCCUPATIONAL LICENSES

Outcome: Signed
AFP's Position: Support

HB 716, also known as the Welcome Home Act, aimed to implement universal recognition of occupational licenses from other states in Louisiana. This legislation was designed to make it easier for professionals with out-of-state licenses to work in Louisiana, as long as they had held their license for at least one year and were in good standing. Americans for Prosperity supported this because it aligns with our our goal of reversing outmigration and reducing barriers to entry to promote a more welcoming environment for individuals seeking to live and work in the state .

HB 745 | CREATES AND PROVIDES FOR THE LA GATOR SCHOLARSHIP PROGRAM, A UNIVERSAL SCHOOL CHOICE PROGRAM

Outcome: Crossed Over
AFP's Position: Support

HB 745 aimed to create the Louisiana Giving All True Opportunity to Rise (LA GATOR) Scholarship Program - a universal education scholarship account program to allow for education freedom and parental choice. The bill stipulated student eligibility, allocation amounts, and testing/accountability.

HB 800 | PROVIDES FOR CALLING A LIMITED CONSTITUTIONAL CONVENTION

Outcome: Crossed Over
AFP's Position: Support

HB 800 proposed calling a limited constitutional convention to draft a new constitution for the state. The passage of HB 800 would have enabled a comprehensive review and potential overhaul of Louisiana's constitutional framework, with the goal of creating a more streamlined, effective, and responsive system of governance. Americans for Prosperity supported HB 800 as it recognized the importance of promoting structural reforms in government to better serve the people of Louisiana and improve the overall functioning of the state's institutions.

HB 933 | PROVIDES WITH RESPECT TO RETAIL FLORISTS AND WHOLESALE FLORISTS

Outcome: Signed
AFP's Position: Support

HB 933 deregulates the retail and wholesale florist industry by removing certain licensing, examination, and regulatory requirements. This legislation introduced the "floral dealer" category, requiring only an operating permit to sell or arrange flowers, thus simplifying entry to the floral industry. Americans for Prosperity supported HB 933 because it promotes competition, encourages growth in the sector, and reduces barriers to entry for entrepreneurs, ultimately fostering economic opportunity and choice for Louisiana's residents.

SB 60 | PROVIDES RELATIVE TO OCCUPATIONAL LICENSES

Outcome: Signed
AFP's Position: Support

SB 60, also known as the Welcome Home Act, implements the universal recognition of occupational licenses from other states in Louisiana. This legislation was designed to make it easier for professionals with out-of-state licenses to work in Louisiana, as long as they had held their license for at least one year and were in good standing. Americans for Prosperity supports this because it aligns with our goal of reversing outmigration and reducing barriers to entry to promote a more welcoming environment for individuals seeking to live and work in the state.

SB 313 | CREATES THE LOUISIANA GIVING ALL TRUE OPPORTUNITY TO RISE (LA GATOR) SCHOLARSHIP PROGRAM TO PROVIDE EDUCATIONAL SAVINGS ACCOUNTS FOR PARENTAL CHOICE IN K-12 EDUCATION

Outcome: Signed
AFP's Position: Support

SB 313 creates a universal education scholarship account program, known as the Louisiana Giving All True Opportunity to Rise (LA GATOR) Scholarship, to allow for education freedom and parental choice. The bill directs the Louisiana State Board of Elementary and Secondary Education (BESE) to determine student eligibility, identify allocation amounts, and provide testing/accountability measures.
