EVERY ASPECT OF OUR FLAG *Carries Meaning.*

The red stands for *courage, readiness, and sacrifice.*

The White stands for *pure intention and high ideals.*

The field of blue reflects *vigilance, perseverance, and justice*, the foundations of a free, self-governed people guided by the rule of law.

The thirteen stripes *honor the original thirteen colonies*, and the risk they took to form a new nation formed in liberty.

And the fifty stars represent *unity across states*, bound together by opportunity, dignity, and the freedom to pursue our own paths.
